

This form allows a person who is already registered for the NDSS, but hasn't before used an injectable diabetes medication, to access syringes or pen needles through the Scheme. "Injectable diabetes medication" means insulin, or an approved non-insulin injectable medication (such as Byetta® or Victoza®).

Person with diabetes

1 Given name(s)

2 Family name

3 Date of birth

Day	Month	Year
/	/	

If person with diabetes is under 15 years old, the "Guardian or carer" section must also be completed.
